The Audi Q5

Pricing and Specification Guide

Valid from May 2010

Personalising your Audi Q5

This guide has been designed to help you tailor and price your Audi Q5 quickly and logically. At the back, you will also find information on CO_2 emissions-based vehicle excise duty and other services offered by Audi, including Finance and Insurance. Alternatively, you can go to audi.co.uk and configure your Audi Q5 online.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The streamlined Audi Q5

The Audi Q5 isn't a typical SUV: it combines the poise and athleticism of a coupé with the practicality and space of a much larger car. It also offers the exceptional grip of quattro® all-wheel-drive, 17-inch alloy wheels and some other advanced features you might not expect. There's a choice of direct-injection TDI® and FSI® engines, a five-link front suspension and an optional S tronic® transmission – ensuring that the Audi Q5 delivers all the handling and performance its coupé-like shape suggests.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO_2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi Q5.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system like the one in the Audi Q5, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Images are for illustrative purposes only

Aerodynamics

A car's shape can have a big impact on its efficiency. It's why we've worked to make the Audi Q5 as aerodynamic as possible.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO_2, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with the 2.0 TDI® and 2.0 TFSI® (manual transmission only) engines, it helps save up to 0.4 litres of fuel every 100km.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI,® with turbocharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. With this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Images are for illustrative purposes only

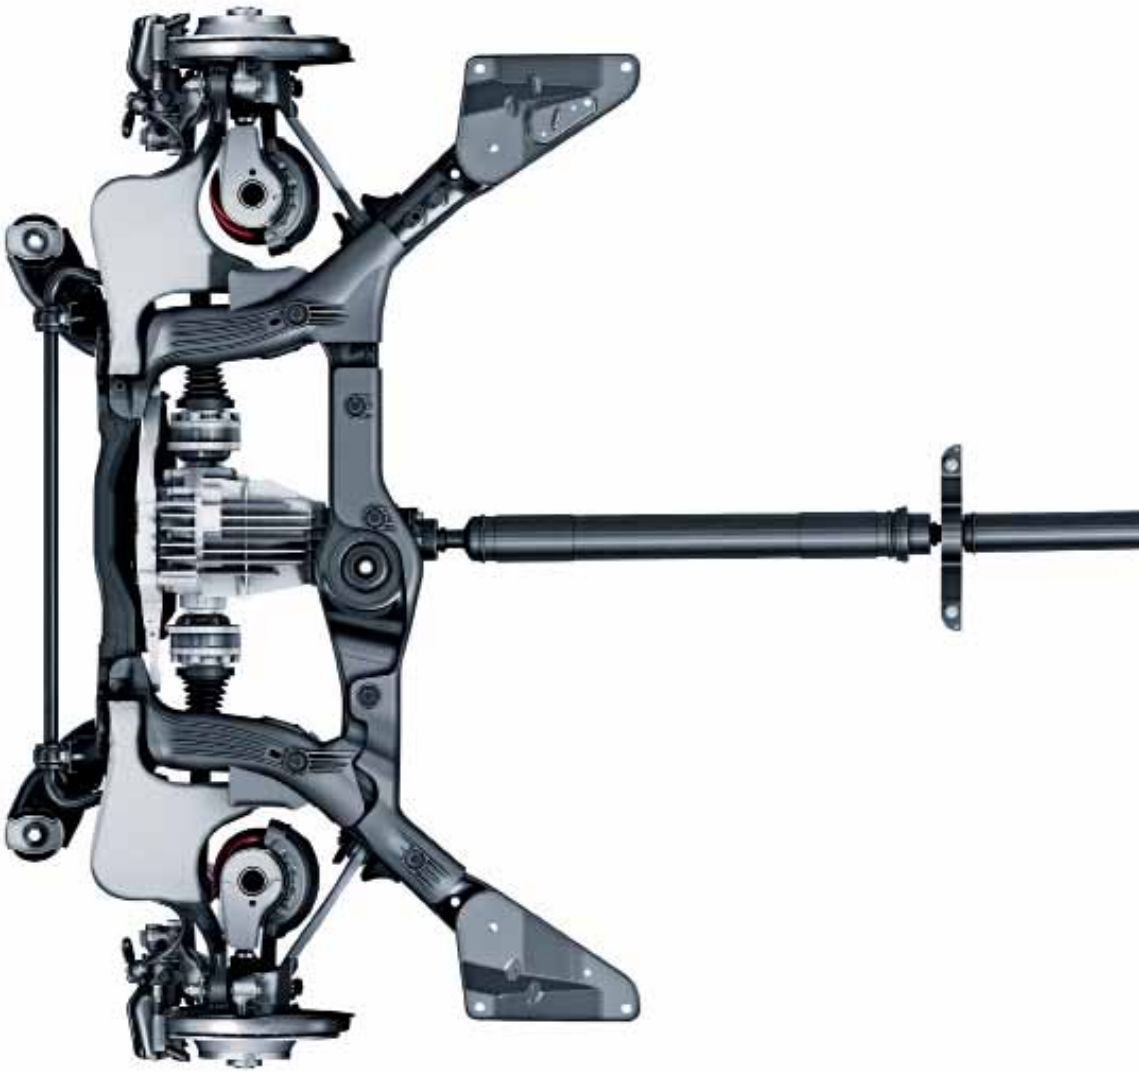
Transmission

S tronic®

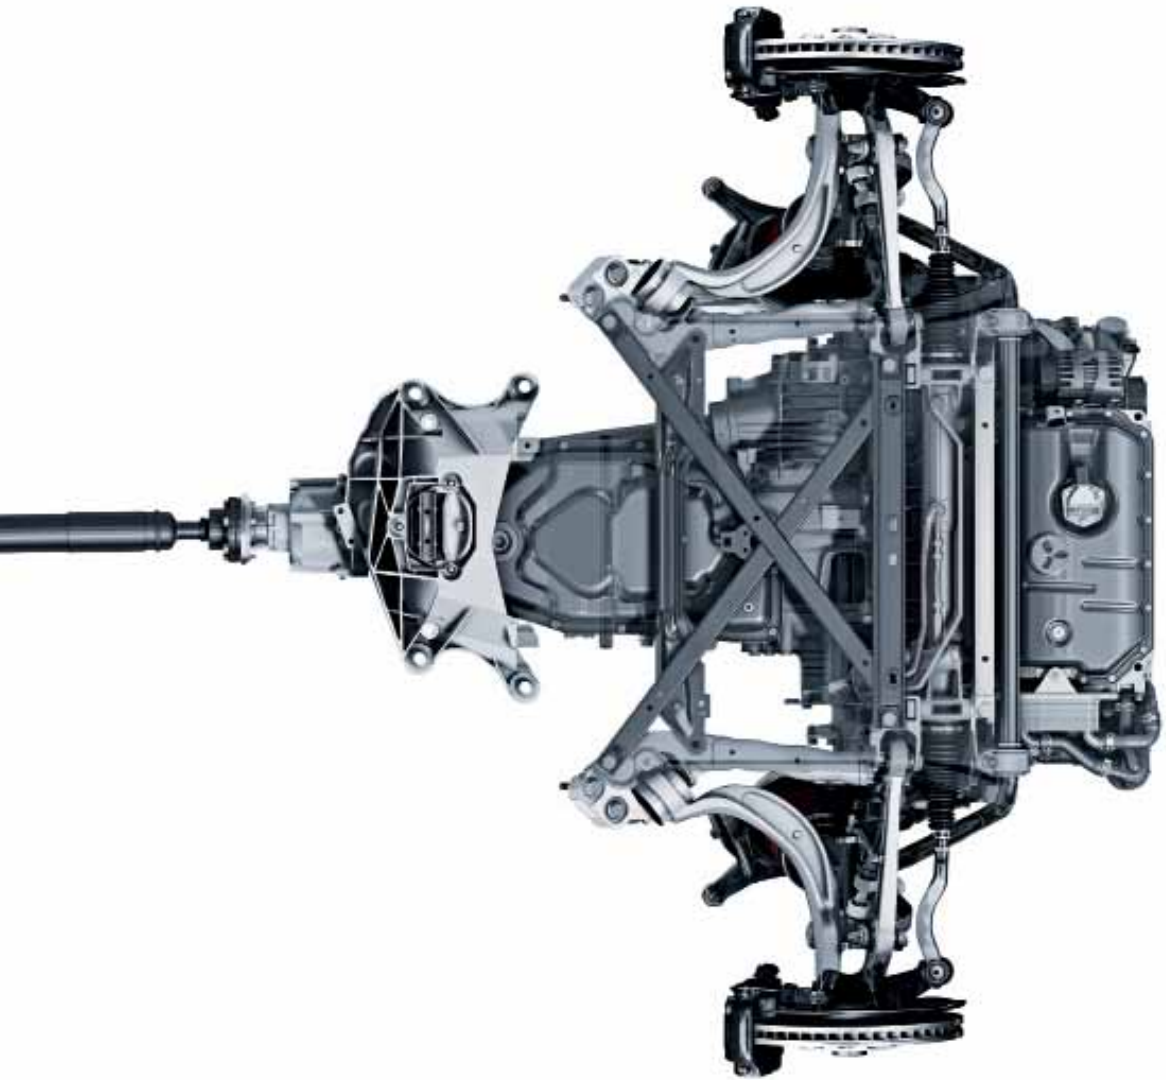
Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

quattro®

It’s the technology that gave us the edge on the rally circuit ever since it was first introduced 30 years ago, bringing victory for the Audi quattro® on its very first outing. It’s called quattro® permanent all-wheel-drive. In this system, four permanently driven wheels deliver better acceleration, road-holding and safety, while asymmetric dynamic torque distribution intelligently controls the flow of power to the front and rear axles.



Images are for illustrative purposes only



It means that the Audi Q5 can ‘read’ the road, sensing changes in the surface beneath the wheels and adjusting their grip accordingly. So when conditions get a little more demanding – in particular, when you go off-road – quattro® adapts, putting all the force of the Audi Q5’s engine precisely where it’s needed to handle the change in terrain.

Standard model equipment

All Audi Q5 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO_2 efficiency (only available on the 2.0 TFSI 180PS and 211PS and 2.0 TDI 143PS and 170PS manual models)

Recuperation for optimal energy utilisation

Energy-saving tips feature in Driver's Information System, including gear-shift indicator (if fitted)

Misfuelling inhibition for diesel models

Wheels, tyres and suspension

17" x 8J '6-spoke' design alloy wheels with 235/65 R17 tyres

Tyre mobility system

Servotronic speed-related power-assisted steering

Audio and communication

6 speakers (80 Watts)

Audi Concert radio – CD player with MP3 compatibility and 6.5'' colour centre console screen, including AUX-IN socket

Multi-Media Interface

Interior equipment

1-zone climate control

4-spoke leather steering wheel

Driver's Information System (DIS) – red and black

Front and rear electric windows

Front and rear floor mats

Micrometallic inlays

Safety and security

Anti-theft device – Thatcham category 1 approved

Electromechanical parking brake

First-aid kit

Front and rear fog lights

Front and rear ISOFIX seats with airbag de-activation switch for front passenger seat

Halogen headlights with daytime-running lights

Hill descent assist (please see page 49 for further information) with off-road Electronic Stability Programme (ESP)

Side airbags for driver and front passenger seats

Tool kit and car jack

Warning triangle

Seats

3-point seat belt with belt-force limiters for all 5 seats

Split-folding rear seat

Steppe cloth upholstery

Exterior equipment

Aluminium roof rails with roof bar detection (automatically adjusts the ESP to react to the higher centre of gravity when roof bars are in place)

Black exterior window trims

Contrasting bumpers

Door mirrors – electrically adjustable and heated

Stone grey finish grille

Rear spoiler

Roof bars and storage bag

17" '6-spoke' design alloy wheels

Halogen headlights with daytime-running lights

Door mirrors – electrically adjustable and heated

Front and rear fog lights

SE model equipment

In addition to Standard model equipment

Basic RRP
£1,957.45

Total RRP inc VAT
£2,300.00

Wheels, tyres and suspension

18” x 8J ‘10-spoke V’ design alloy wheels with 235/60 R18 tyres and locking wheel bolts

Audio and communication

Audi sound system – 10 high-performance loudspeakers (180 Watts) and 6-channel amplifier

Seats

Milano leather upholstery

Interior equipment

4-spoke multi-function leather steering wheel

Aluminium silver inlays

Colour Driver’s Information System (DIS) with efficiency programme

Deluxe 3-zone climate control with separate air distribution and digital temperature displays for driver, front passenger and rear passenger compartment (3.0 TDI® and 3.2 FSI® only)

Front centre armrest including 12-Volt socket

Exterior equipment

Aluminium window trims framing the exterior side windows

Chrome-plated exhaust tailpipe surrounds (3.0 TDI® and 3.2 FSI® only)

Full body-coloured bumpers

High-gloss painted grille on 3.0 TDI® and 3.2 FSI.® All other models come with stone grey finish grille

Safety and security

Auto-dimming rear-view mirror including acoustic windscreen

Automatic headlight operation

Automatic windscreen wiper operation

Rear acoustic parking system

18” x 8J ‘10-spoke V’ design alloy wheels

Aluminium silver inlays

Driver’s Information System (DIS)

4-spoke multi-function leather steering wheel

Audi exclusive

Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new Audi Q5 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

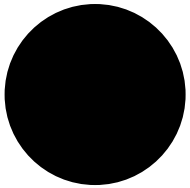
Options are subject to availability and may extend delivery.

RRP – Recommended Retail Price.

VAT is calculated at 17.5% but this may alter to reflect any change in the applicable VAT rate.

Standard colours

Ibis white – **T9**

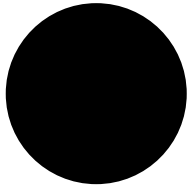


Brilliant black – **A2**

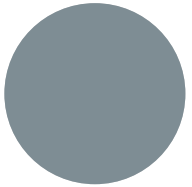
Optional colours

Ice silver, metallic – **P5**

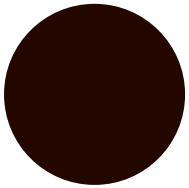
Tungsten grey, metallic – **1J**



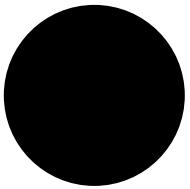
Phantom black, pearl effect – **L8**



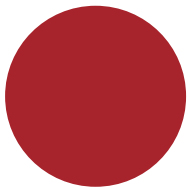
Quartz grey, metallic – **Q4**



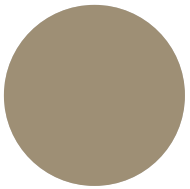
Teak brown, metallic – **4U**



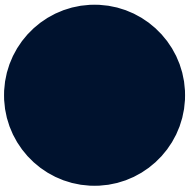
Lava grey, pearl effect – **1R**



Garnet red, pearl effect – **9C**



Dakar beige, metallic – **9X**



Deep sea blue, pearl effect – **8A**

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather, Valcona leather or Valcona leather/ Alcantara in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Also available:

Alcantara colours: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

Upholstery

Audi exclusive

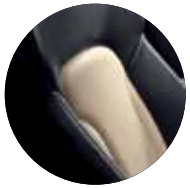
Audi exclusive is ultimately about choice – but if you'd rather leave some of the decisions in the capable hands of our designers, the expert team at quattro GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one, beautifully coordinated package.

Order Code		Standard	SE	S line	S line Special Edition	Basic RRP	Total RRP inc VAT
WQK	**Audi exclusive line**	–	•	–	–	£2,012.77	£2,365.00



Magnolia white – **QQ**

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

18” x 8J ‘6-spoke Parabola’ design alloy wheels – **PRS**

19” x 8J ‘5-arm’ design alloy wheels – **PRL**

19” x 8J ‘10-spoke Star’ design alloy wheels – **PRT**

20” x 8.5J ‘5-spoke Star’ design alloy wheels* – **PRD**

20” x 8.5J ‘5-double-spoke off-road’ design alloy wheels* – **PQ7**

20” x 8.5J ‘7-double-spoke’ design alloy wheels* – **PQF**

*Please note: this option includes a small extension to the wheel arches.

On S line trims the wheel arch is matt black, while on SE models it matches the colour of the contrasting bumpers.

Wheels, tyres and suspension

Audi drive select
Audi drive select changes your car's handling and responses at the touch of a button to suit the way you want to drive. There are four modes: comfort, dynamic, auto and individual. Please note that you can only choose the 'individual' mode and customise your settings if you also have Satellite Navigation installed.

Dynamic steering
With this new technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.

Damper control
Formed on the basis of lowered Sports suspension, the optional damper control system fine-tunes suspension settings according to road conditions and driver needs.

Options are subject to availability and may extend delivery.

Off-road capabilities of the Audi Q5

The Audi Q5 excels both on the road and off it, thanks to its impressive all-terrain abilities. And these attributes are reinforced by special technologies, such as hill descent assist, ABS with automatic off-road detection and an Electronic Stability Programme that includes an off-road mode.

Hill descent assist

Available as standard in the Audi Q5, hill descent assist automatically maintains the speed set by the driver on steep descents and on any surface (up to 19mph). This makes negotiating descents far more straightforward and substantially enhances stability. Hill descent assist is activated and deactivated using a separate button.

ESP off-road mode

The Electronic Stability Programme in the Audi Q5 features a special off-road mode which can be controlled by a switch. This reprograms the ESP system, traction control and anti-lock braking system to adapt them to the driving conditions encountered in off-road terrain, such as sand, gravel or mud. This leads to good traction in all conditions, a more exciting drive and great handling even on unpredictable surfaces.

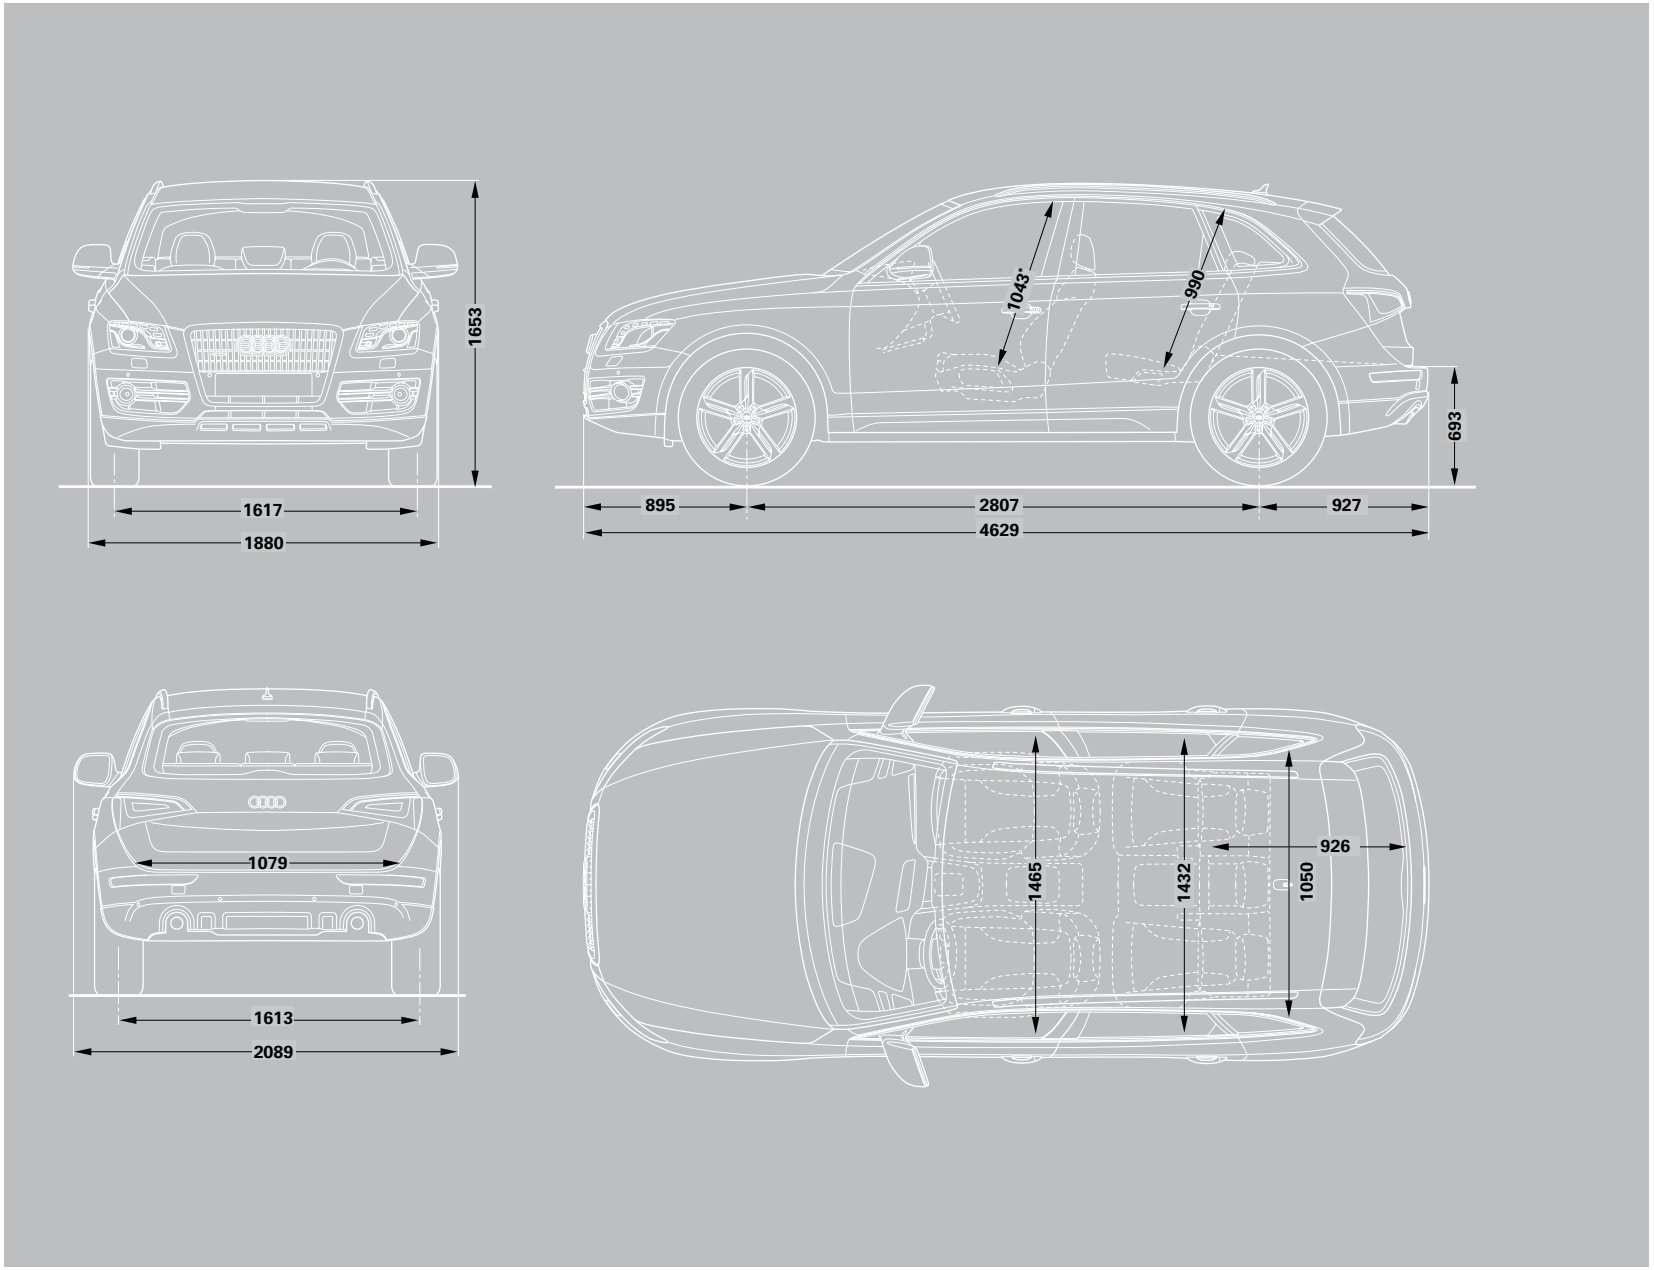
Audi Q5 dimensions

The technical drawings opposite show the exact dimensions of the Audi Q5, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions were measured with vehicle at unladen weight.

Turning circle approx 11.7m.

Dimensions in millimetres.

*Maximum headroom.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 110g/km	£0.00
C – 111 to 120g/km	£0.00
D – 121 to 130g/km	£0.00
E – 131 to 140g/km	£110.00
F – 141 to 150g/km	£125.00
G – 151 to 165g/km	£155.00
H – 166 to 175g/km	£250.00
I – 176 to 185g/km	£300.00
J – 186 to 200g/km	£425.00
K – 201 to 225g/km	£550.00
L – 226 to 255g/km	£750.00
M – over 255g/km	£950.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

	Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£473.62
Number plate	£20.00
VAT	£86.38
Total	£580.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary seven day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am - 9pm, and Saturday 9am - 5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.
